No. 3284

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

Simla the 22nd June 1920.

Resolution.

Trading by Foreigners.

The following papers regarding the resumption of trade relations with Germany are published for general information :—

1. *Letter from the Government of Bengal No. 7-T.-Com., dated the 7th May 1920 and enclosure.*

No. 7-T-Com., dated the 7th May 1920.

From—The Hon'ble Mr. A. MARR, I.C.S., Secretary to Government of Bengal, Darjeeling,

To—The Secretary to the Government of India, Department of Commerce, Simla.

I am directed to submit, for the information of the Government of India, a copy of a letter No. 11—C.M. 6-1920, dated the 16th April 1920, from the Secretary, Calcutta Trades Association, on the question of trading with German firms.

2 As the question of policy affects the whole of British India, it is desirable that the Government of India should make an authoritative pronouncement on the subject. The general question of post-war trade with our late enemies was discussed in this Government's letters Nos. 414-T. Com., dated the 26th September 1917, and 495-Com., dated the 21st January 1918, but there have doubtless been subsequent developments of which the Governor in Council is not aware.

No. 11-C.M. 6-1920, DATED THE 16TH APRIL 1920.

From—The Secretary, Calcutta Trades Association, Calcutta.

To—The Chief Secretary to the Government of Bengal.

At a regular meeting of the Committee of the Calcutta Trades Association, held on Friday the 9th April 1920, the question of trading with German firms was raised by one of the members.

It would appear that firms in Germany are now offering Agencies for German goods, and I have been directed to ascertain the views of Government as to the desirability of the resumption of trade relationship with Germany.

This vexed question has, it is understood, been freely debated upon in England, and the reply given by the President of the Board of Trade was to the effect that Great Britain required German purchasing power, and that it was the view of His Majesty's Government that Germany must be set on her feet again.

As however, conditions in India may be somewhat different, before members of this Association enter into business negotiations with German firms, they consider that the feeling of the Government of India on this point should be made publicly known, so that trade relationship with Germany may be resumed without fear of arousing public feeling.

2. *Letter to the Government of Bengal, No. 3144, dated the 17th June 1920.*

No. 3144, DATED THE 17TH JUNE 1920.

From—R. B. EWBANK, Esq., I.C.S., Deputy Secretary to the Government of India, Department of Commerce,

To—The Secretary to the Government of Bengal, Commerce Department.

I am directed to acknowledge the receipt of your letter No. 70-Com., dated the 7th May 1920, forwarding, for the information of the Government of India, a copy of a letter from the Secretary, Calcutta Trades Association, on the subject of the resumption of trade relationships

with Germany. You suggest that, as the question of policy thus raised affects the whole of British India, it is desirable that the Government of India should make an authoritative pronouncement on the subject.

2. In reply I am to say that an authoritative pronouncement on the subject has already been made by His Excellency the Viceroy in his speech on the 8th January last when he opened the Conference of the Chambers of Commerce in India and Ceylon, and I am also to invite a reference to this Department's Notification No. 1368-D., dated the 21st February 1920, republishing certain notes issued by the Board of Trade on trading conditions with certain countries. From this Notification it will be seen that it is no part of the policy of His Majesty's Government to discourage British traders from competing in the markets of the late enemy countries and it is desirable that British traders should make every effort to secure a proper footing in Central Europe. The Government of India have already announced their intention of excluding Germans from India for a period of five years from the date of the conclusion of the war, but though they do not propose to allow Germans to handle trade in India for this period, there is no objection to firms in this country resuming trade relationships with German firms. The attention of the Trades Association, however, should be drawn to the two provisos to the General Trading License published under the authority of the Governor-General in Council on the 2nd August 1919 which provisos are still in force.

Ordered that a copy of the above Resolution be forwarded to all Local Governments and Administrations, the Director-General of Commercial Intelligence, the Chambers of Commerce, Trades Associations, the Indian Trade Commissioner, London, and His Majesty's Trade Commissioner in India, for information, and that it be published in the Supplement to the *Gazette of India*.
